

BANDIRMA ONYEDI EYLÜL UNIVERSITY
PSYCHOLOGICAL COUNSELING AND GUIDANCE UNIT
WORKFLOW DIAGRAM

Preparation of promotional content for the Psychological Counseling and Guidance Unit.

An orientation program is organized each year at the start of the academic year to welcome new students and to introduce the Unit.

Students request psychological support via University Information Management System reservations.

Completion of the Student Application Form, Consent Form, and Personal Data Protection Law Information and Consent Texts.

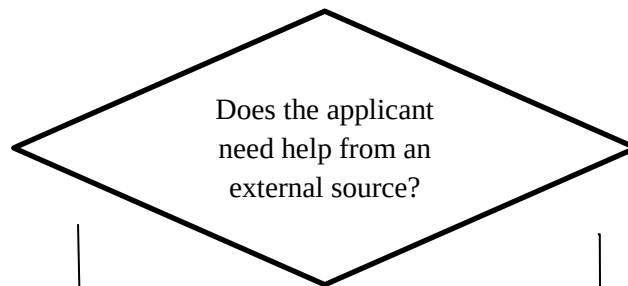

A preliminary interview is conducted with the student.

After the initial interview, the type of service the applicant needs will be determined.

YES

They are referred to the necessary facilities, such as hospitals and addiction treatment centers.

NO

Psychological counseling and guidance sessions begin.

Sessions are conducted for the required duration and frequency, and records of the process are kept.

Sessions are terminated when deemed sufficient.

A satisfaction survey is administered to the applicant.

Monthly and annual activity reports containing numerical data about the sessions are prepared.
